Menen Szymon 

Simone Menou 

## Target position :

Web-application developer :

Front-end , Back-end , Full-stack

## Technical skills

### Back-end ●●●●●

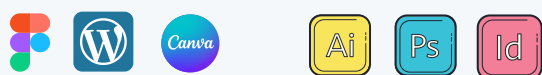

### Front-end ●●●●

### Development tools ●●●●

### Design ●●●●●●

### Project management ●●●●

## Soft skills

- Sense of responsibility
- Organization
- Teamwork
- Autonomous
- Curiosity
- Creativity

## Motivation

After several years in various sectors, I have finally found a job in which I think I can fully develop. To do so, I have followed several training courses. In order to concretize this, I wish to apply the skills and technical knowledge I have at my disposal to a company in order to start my professional reconversion.

## Goal

Following the training within interface 3 I am looking for an internship as a junior back-end developer, full-stack or front-end for a period of 2 months apd from April 17, 2023.

## LINGUISTIC COMPETENCIES
